

Intermediate Surveying

Description – This one day workshop covers fundamental surveying theory, calculations, field measurement and staking. Measurement of distance and angles along with differential leveling are addressed in the classroom and in the field using surveying equipment. **The objectives are:** (1) To review of elevations and leveling; (2) Introduction to grid coordinate systems; (3) Survey math review/calculations and (4) Field exercises.

Registration Information – Registration can be completed online at: www.mdot.ms.gov/ltap/ or by completing the information below and submitting this form to the LTAP Team via email at ltap@mdot.ms.gov. **Registration is \$25. Lunch is not provided.** Substitutions may be made at any time. Any registrant requiring a reasonable accommodation during training (i.e., mobility or access) should contact the Mississippi LTAP Center prior to the course date so the appropriate arrangements can be made.

Who Should Attend? This training is designed for all municipal highway officials, particularly those responsible for the supervision of others and those new to supervision. Directors of Public Works, Road Managers, Highway Superintendents, Crew Leaders and Foremen are encouraged to attend.

Instructor: Mr. Chad Ainsworth, State Surveyor

Time: 8:00a.m. – 12:00p.m.
